

**281—103.6(280) Physical confinement and detention.** If a student is physically confined or detained in a portion of a school facility, the following conditions shall be observed:

1. The area of confinement shall be of reasonable dimensions;
2. There shall be sufficient light and adequate ventilation for human habitation;
3. A comfortable temperature shall be maintained, consistent with the facility that includes the detention or confinement area;
4. Reasonable break periods shall be afforded the student to attend to bodily needs. However, sleep shall not be considered a “bodily need” for purposes of this subrule;
5. The period of detention or confinement is reasonable and not in excess of the hours in a school day as defined by local board policy or rule. However, reasonable periods of before- and after-school detention are permissible;
6. Adequate adult supervision is provided;
7. Material restraints applied to the person are not used to effect confinement.
